Returns policy

returns-v1 / EN / DEMO

FICTIONAL STORE - TEACHING EXAMPLE ONLY

Effective / Vigencia: [2026-01-01, 2026-07-01)

Date basis / Fecha base: purchase_date

Uploaded / Carga: 2026-01-02 | Status / Estado: READY

1. Applicability: This version applies to DEMO-market orders purchased on or after 2026-01-01 and before 2026-07-01. The purchase date selects the policy; the upload date does not.

2. Return window: A return can be requested within 30 calendar days after purchase. Eligibility also requires an unused item, original packaging, and proof of purchase. A chatbot may explain the policy but cannot approve a return.

3. Historical validity: A later policy does not replace these terms for purchases in this interval. Missing order dates or conflicting policy records require clarification or support review.
